DEL NORTE Online Registration
for School Year 2018-2019 for Parents of Students Enrolled in APS

Attention Parents and Guardians!
We just made your life a little easier with Online Registration!

- Reduced paperwork
- No more pastel-colored cards to fill out at the beginning of EVERY school year
- No more redundancy.

Just a few steps to register your child(ren) for school:
- Login to ParentVUE. Don't have a ParentVUE account? Get one now.
- Update your child's information including address, phone number, email address and emergency contacts. What you'll need to register for school.
- Have more than one child in school? All you need is one account to update all of their information.
- You can update your information anytime by logging into ParentVUE.
- At the beginning of each school year, we'll ask you to login to verify that the information we have on record is up-to-date.
- Available in English and Spanish.

Online registration is available for ALL grade levels.

Don't have access to a computer or the Internet?
Not a problem. Computers are available for your use at your child's school.
Or you can...
Download the APP
Another option if you don't have a computer (or if you just prefer your smartphone) is to download the free ParentVUE app. Search "ParentVUE" in your App Store or Google Play.

Other ParentVUE Features
ParentVUE isn't just for registration. As many of our parents and guardians already know, it's a great tool to check:
- Grades
- Assignments
- Attendance
- Calendars
- Teacher contact information
- And More!

You will be required to submit your changes for acceptance. As you are completing the annual verification process you may notice that some fields are non-editable. If any information provided in those fields is incorrect please contact your student's school to update.

Mandatory fields will be indicated by a red * and will prevent a parent from moving forward until completed. Due to the REAL ID Act of 2005, all information provided by the parent or guardian should match legal documentation.
